WHAT'S ON

NEW Display Homes OPEN

On Saturday 23rd of July we were happy to celebrate the launch of our first display homes in our new display village, from Metricon, Burbank and Simonds!

Located on Heartlands Boulevard, the display homes will be part of our new display village which is set to feature 18 homes in total with other renowned builders including Sula Homes, Granvue, Persuade Homes and Sheridan, set to open in the coming months.

Despite the cold Melbourne weather, approximately 200 eager residents and visitors attended the event to enjoy a jumping castle, face painting, balloon artist and free barbecue.

Visitors were able to visit our new Land Sales Office which has been relocated to align with the new display homes, with children testing out the new playground.

Our friends at the Werribee Lions Club provided a free sausage sizzle on the day with the veggie burgers proving extremely popular, with visitors taking a break from inspecting the display homes to grab a bite to eat.

The remaining homes are set to open their doors in the coming months, so keep your eyes peeled for further updates in future newsletter editions.

FLAMES BASKETBALL CLUB

on fire this season

The Heartlands is proud to sponsor the Flames Basketball Club Werribee, and we have loved watching all teams perform amazingly this season!

The club has grown rapidly in the past year and recently celebrated the news that their Under 14 girls team, The Heartlands Flames Firecrackers, are currently sitting at the top of the ladder for their division having won eight out of the nine games played.

The following four teams are now named after The Heartlands and we are looking forward to following their progress for the remainder of the season:

U8 boy's The Heartlands Flames Bonfires
U14 girl's The Heartlands Flames Firecrackers
U14 boy's The Heartlands Flames Firestorm
U20 men's The Heartlands Flames Ignite

The Heartlands' Flames teams compete on Fridays, Saturdays and Tuesdays against other local clubs at the recently opened Eagles Stadium in Werribee.

If you or any of your children are interested in joining a supportive and fun local team, please visit their website at flamesbasketballclub.org.au

We look forward to bringing you more updates throughout the year!

JOIN JEN AT CLUB HEARTLANDS THIS WINTER

The Club Heartlands gym has been pumping this winter with so many residents coming through the doors to keep fit and healthy in the lead up to spring.

We encourage you to continue to visit the gym, with our personal gym instructor, Jen, providing a wealth of knowledge, support and motivational training tips every Wednesday from 6.30pm – 8.30pm.

The team at Club Heartlands would like to thank Jen once again for continuing to provide guidance to residents at Club Heartlands over the last few months.

The Club Heartlands gym is for everyone, with Jen seeing a broad range of people attending over the last few months from active gym goers, to those returning

from injury and even young mums who are getting back into exercise after having a baby.

Jen and the team at Club Heartlands are excited to see the increase in residents attending the gym and we hope this continues throughout the rest of the year.

Be sure to head to the Club Heartlands gym this month for additional help and fitness tips from Jen who will be there at her usual time of 6.30pm – 8.30pm every Wednesday.

For further enquiries about Jen and her services, you can visit our Facebook page!

Here are a few images of Jen and residents working hard at the gym over the last few weeks.

Please feel free to share your own gym images and fitness stories with us for inclusion in the next newsletter!
